GST & GRE - Pricing for Government related entities is not subject to GST charges

Non-ANZ Police government regulated entities (GRE) are charged an additional 10% in recognition of the significant contribution made by ANZ Police in the delivery of these programs.

Participants are increasing being placed onto AIPM programs earlier in their career, reinforcing generational and cultural change within their organisations, and building depth within organizational succession strategies.

Rank, role and reward are decreasing the reasons for enrolment, giving way to aspiration, ability, performance, potential and commitment.

All AIPM programs are open to sworn and unsworn participants whose nominations are endorsed by their organization.

The AIPM seeks the diversity of the workplace as a positive learning attribute of our programs.
