

AIPM Balance Online

2021 Evaluation comments

"The guest speakers and the course speakers have been phenomenal. I have attended leadership courses previously but nothing as **thought-provoking, transformative and practical** (skills to use) as this course."

"I felt safe learning and exploring the learnings from the course with a bunch of wonderful, talented and intelligent women and our mentor was **amazingly supportive.**"

"The connection to an amazing group of women. And the **amazing presenters** – my goodness we are so lucky to hear from these people."

"There were so many good parts. Brilliant speakers – thank you – I can't single out more than the others as they all had so many **valuable learnings.**"

"Hearing dynamic stories from everyone and learning from those stories was most valuable. The **connection and solidarity** of women in this course has been invaluable."

87% of participants felt able to establish networks and professional relationships in the online environment

100% of respondents strongly agreed they found the program extremely valuable to their leadership development

"I have been wanting to contact you all and let you know that this course has changed my life. I wouldn't be in the position of taking my family to another country for this experience if it wasn't for the lessons learnt on this programme, and for the support of my mentor.

I cannot recommend this course highly enough to everyone I speak to."
