Professional Development Public Safety Framework

Use the following diagram to identify the right development opportunity for the right person at the right time. Some programs are closely designed to the challenges of particular levels and ranks, while others are more openly designed. Our programs, like the organisations we support, are becoming more fluid and responsive to our changing environment. If in doubt of the suitability of a particular program, please contact us at collaboration@aipm.gov.au.

Check aipm.gov.au for reservation and nomination dates.

Nominations for non-academic programs are generally one month before program delivery.

Nominations from AFAC agencies are through afac.com.au/initiative/leadership.

Nominations for academic programs are through each organisations' AIPM liaison officer.

Email education@aipm.gov.au to find out more.
